

On Target: I can develop my **archery** skills and discover different ways everyone can aim, shoot and succeed.

Target Tactics: I can use accuracy and tactics in **boccia** and discover how people of different abilities can compete together.

Stone Zone: I can use control and judgement in **New Age Curling** and compete alongside people of different abilities.

Sound & Score: I can use sound, communication and teamwork to play **goalball**, a sport where sight isn't needed to compete.

Sit, Set, Play!: I can develop my **seated volleyball** skills and discover a different way to play and compete as a team.

Mini Paralympian: I can take on a range of **Para Athletics** challenges and discover different ways Paralympic athletes participate and compete.

Game Changer: I can adapt a familiar sport to create my own **Paralympic-inspired sport** with different ways for everyone to take part.

Super Senses: I can complete a **Sensory Circuit** using different senses and ways of communicating to take part in active challenges.

Equipment Explorer: I can complete **Personal Best Active Challenges** using different equipment and discover how equipment can help everyone take part.

Team Player: I can take part in an **Active Games Circuit**, working with others and taking on different roles so everyone can play their part.

The Inclusion Champion Award: I have supported and encouraged others during Sports For All activities and helped everyone feel included.

The Ultimate All-Star Award: I have completed the Sports For All programme, developed new skills and discovered how sport can be for everyone.
